

Rebecca Bender, MACT
CEO & Founder Rebecca Bender Initiative and Elevate Academy

Rebecca Bender is an Activist, Author and Entrepreneur who has earned a distinct reputation as a trailblazer in the field. Her specialized trainings have equipped well over 115,000 professionals including FBI, Homeland Security, local law enforcement, community leaders, medical professionals, and more. Her online school, Elevate Academy is the largest online school in the world, helping thousands of survivors get job ready after escape. An award-winning thought leader, Rebecca was appointed by the U.S. Attorney General to the United States National Advisory Council and serves as an advisor to some of our nation's leading nonprofits and government agencies. She assists as a subject matter expert for investigations and operations across the country and is regularly called upon to testify as an expert witness. Rebecca is a highly sought-after speaker, consultant, and nationally recognized authority who is passionate about seeing people transform their lives so they can change the world.
